The undersigned makes the following declarations subject to the penalty of perjury and says: That I am a peace officer with the Las Vegas Metropolitan Police Department, being so employed for a period of approximately 12 year(s).

That I learned the following facts and circumstances which lead me to believe that the above named subject committed or was committing the offenses above at the location of [REDACTED] NV 89115 and that the offense(s) occurred at approximately 1200 hours on the 17th day of January, 2019.

Details for Probable Cause:

Summary of Investigation:

On June 13th, 2019, detectives with the LVMPD Criminal Intelligence Section were made aware of lawfully recorded conversations where subjects were stating a female, [REDACTED] is in "love with a cop." Conversation further suggested the "cop" is a detective and is known as "Lorenzo". Your Declarant was able to identify [REDACTED] as [REDACTED] and "Lorenzo" as Lawrence Rinetti Jr. During the investigation, it was learned through toll records, physical surveillance and electronic surveillance that Rinetti Jr. and [REDACTED] have frequent physical and telephonic communication which led investigators to believe they are in a personal relationship. It was further learned through reliable sources and through toll records from July 31st, 2018 until September 30th, 2019, Rinetti Jr. and [REDACTED] have contacted each other approximately 16,683 times via made or attempted voice calls and text messages. 70 percent of that contact was made by Rinetti Jr. which leads investigators to believe that Rinetti Jr. is possessive over [REDACTED]

There have been numerous documented incidents that indicate Rinetti Jr. has assisted in preventing [REDACTED] from being arrested for felony warrants. These warrants were associated with a case involving [REDACTED] (a felon) being in possession of a firearm and a stolen motor vehicle. Your Declarant knows [REDACTED] did provide accurate information to assist law enforcement but investigators also believe Rinetti Jr. and [REDACTED] have a personal relationship and Rinetti Jr. is using his authority as a detective with LVMPD to assist [REDACTED] for his own personal gain, which is maintaining a personal relationship with [REDACTED]

Wherefore, Declarant prays that a finding be made by a magistrate that probable cause exists to hold said person for preliminary hearing (if charges are a felony or gross misdemeanor) or for trial (if charges are misdemeanor).

Through the analysis, it was determined Rinetti Jr. and [REDACTED] had approximately 16,683 contacts via completed or attempted voice calls and text messages from July 31st, 2018 until September 30th, 2019. Seventy percent of these communications were made by Rinetti Jr. It was also determined the communications took place between Rinetti Jr.'s work phone and [REDACTED]'s phone. However, there were communications between Rinetti Jr.'s personal phone, [REDACTED]'s phone and [REDACTED]'s mother's phone.

Based on this information, a PRTT with Precision Location was applied for and granted by the Honorable Judge Silva on July 12th, 2019 for Rinetti Jr.'s work phone and [REDACTED]'s phone, and the other phones listed above, to include historical call logs and location information from June 1st, 2018. A detailed analysis of this information was conducted by Senior Analyst Howe. The information showed [REDACTED] and Rinetti Jr.'s phones were in the same area on multiple occurrences, both while Rinetti Jr. was working his normal working hours and during hours he was not supposed to be working.

On June 24th, 2019, your Declarant and Detective Stanton P#4717 conducted an interview with a confidential source to gain further understanding of Rinetti Jr. and [REDACTED]'s relationship.

The true identity of the source is known to your Declarant, but will not be revealed in this affidavit due to fear for the source's safety if the person at whom this investigation is directed learn the source's identity. If ordered to do so by this Honorable Court at the subsequent time, your Declarant will provide the identity of the source to the court. The source has been informed that any information given must be accurate and truthful. The source has provided information to your Declarant on other occasions which has been deemed reliable by your source regarding the subject offenses on this case. The source has a pending felony charge which he/she is providing information to in attempts to gain leniency on the criminal prosecution.

During the interview the source mentioned an incident that took place at [REDACTED] on [REDACTED]. During this incident the source explained how [REDACTED] was taken into custody by LVMPD officers for multiple felony warrants and placed in a marked patrol car. The source stated the residence belonged to a female the source knew as [REDACTED] who was identified as [REDACTED]. Shortly after the incident concluded, [REDACTED] and the source believed [REDACTED] was released so quickly because of Rinetti Jr. The source believed this due to [REDACTED] having felony warrants and calling the source shortly after the incident occurred. The source knew [REDACTED] could not have been arrested and released in this time period. Your Declarant was able to locate this event under LVMPD event [REDACTED]. This event is explained in further detail below.

[REDACTED] POLICE CONTACT SINCE ASSOCIATION WITH RINETTI JR

[REDACTED]
To further corroborate the information provided by the source regarding Rinetti and [REDACTED]'s relationship, your Declarant reviewed the body worn camera (BWC) associated with LVMPD event [REDACTED]. During this event, [REDACTED] was detained for active felony warrants and she was handcuffed. While an officer was conducting a search of [REDACTED] she mentioned multiple times that she was "working"³ for numerous officers. While [REDACTED] is being

³ "Working" is terminology confidential informants (CI's) often use when speaking with members of law enforcement to alert law

placed in the back of the patrol car she is repeatedly asking the officer to call a "U.S. Marshal named Lorenzo Rinetti". During the conversation, she provided the officer a phone number [REDACTED], which is Rinetti's work number.

The officer kept his body worn camera on during this interaction and while he calls Rinetti Jr. Your Declarant believes the officer was speaking with Rinetti Jr. because the officer repeats Rinetti Jr.'s last name and his LVMPD personnel number "9036" while he is on the phone. It is unknown what the exact conversation between Rinetti Jr. and the officer was, but after the conversation the officer talked with other officers on the scene and confirmed they would be releasing [REDACTED] because she is working with "Detective Lorenzo".

While watching the BWC from this incident on [REDACTED] your Declarant noticed a tattoo on [REDACTED]'s back which stated [REDACTED] [REDACTED] [REDACTED]. Later, your Declarant viewed BWC from LVMPD event [REDACTED], which occurred on [REDACTED] [REDACTED] and [REDACTED]. [REDACTED] had a new tattoo with [REDACTED] and [REDACTED] [REDACTED] which translates to [REDACTED]. A detailed account of this event is documented further below

[REDACTED] – Petit Larceny/Trespass from JCPenney [REDACTED] [REDACTED]

On [REDACTED] [REDACTED], Patrol Officers were dispatched to the Meadows Mall reference a Petit Larceny under LVMPD event [REDACTED]. During this event, [REDACTED] was taken into custody for stealing items from JC Penney's. It is unknown to your Declarant what was stolen or how [REDACTED] was taken into custody. Your Declarant contacted Loss Prevention at this location and they could not locate any reports with her information due to getting a new computer system and the employees who were involved in the incident no longer working with JC Penney.

When patrol officers arrived, [REDACTED] was in custody and already in the security office. Your Declarant reviewed the BWC from the event. Patrol officers arrived and went directly to the security office and met with the Loss Prevention Officer. [REDACTED] was detained with four other unrelated individuals. While the Loss Prevention Officer was briefing the patrol officer, he stated he wanted the four individuals trespassed and he wanted to press charges against [REDACTED]. After a short time, the patrol officer brought [REDACTED] out of the main holding area and [REDACTED] stated she wanted to speak with the patrol officers. At that point the BWC was turned off. Later, per the BWC of the incident, [REDACTED] was released after the officers spoke with Rinetti Jr. While they were transporting [REDACTED] to her vehicle, she was talking to the patrol officer about Rinetti Jr.'s work on the US Marshal Task Force. It is unknown what was said in the patrol officer's conversation with Rinetti Jr. Per the BWC, the Loss Prevention Officer seemed upset [REDACTED] was not charged with stealing items. The patrol officer apologized to the Loss Prevention Officer and told him if [REDACTED] was ever on property again, to call the police and she would be arrested.

Per computer automated dispatch (CAD), [REDACTED] was taken into custody by Loss Prevention Officers around 2206 hours. Per the historical toll records, Rinetti Jr. was contacting [REDACTED] from 2146 hours until he was contacted by one of the officers on scene at 2250 hours from his work phone. A criminal history inquiry was completed by one of the officers on scene for [REDACTED] at 2247 hours and released at approximately 2310 hours. It appears Rinetti Jr. contacted [REDACTED] three times after she was released, two voice calls and one text message, again from his work

phone. It does not appear [REDACTED] answered the calls, based on the length of the call, and she did not respond to the text message.

[REDACTED] – Witness at West Care [REDACTED])

On [REDACTED] [REDACTED], patrol officers were stopped by a citizen stating he just became a victim of a robbery while he was leaving West Care⁴. The citizen stated two subjects approached him at gunpoint while he was leaving and stole narcotics from him. The citizen stated the two subjects were there visiting a female, later identified as [REDACTED] and bringing her prescription medication. One of the males was described as a white male adult with a shaved head. Officers responded to West Care and made contact with [REDACTED].

Per BWC, when officers arrived, [REDACTED] was sitting on a bench in front of the facility. The supervisor of West Care met the officers at the front door and called [REDACTED] and asked her to go inside. Officers spoke to [REDACTED] for a few minutes and she stated she was a "CI so I would have no problem telling you guys the truth." ⁵Later, [REDACTED] is observed filling out a voluntary statement, when she completed the statement, she handed it to an officer and on the BWC you could clearly see written " [REDACTED] When the officers were leaving, one of the officers began talking about how he spoke with the detective, and the BWC turned off. It is unknown if he is referring to speaking with Rinetti Jr. or detectives reference the event they were on.

Per BWC, it appears the officers made contact with [REDACTED] around 0055 hours. Per the historical toll records, [REDACTED] sent Rinetti Jr. a text message on his personal cell phone, [REDACTED] at 0011 hours. It appears patrol officers on scene conducted a record check for criminal history information on [REDACTED] at 0120 hours. The next communication on Rinetti Jr.'s phone occurred at 0556 hours when Rinetti Jr. called [REDACTED] from his work phone.

[REDACTED] – Stolen Vehicle [REDACTED])

On [REDACTED], [REDACTED] was stopped while she was a passenger in a stolen vehicle under LVMPD event number [REDACTED]. During the event, the officers conducted a record check on her and noticed her felony warrants. Per the CAD, the officers were notified at 1756 hours of her warrants. Per an offline⁶ search, it was learned that Officer M. Rodriguez P#17230 conducted a record check for criminal history information on her at 1755 hours. Rinetti Jr. receives a phone call from Detective Poulson P#9023, who is a detective with LVMPD, assigned to Narcotics, at approximately 1830 and they speak for over ten minutes. Through the investigation, it was determined that Poulson was attempting to use [REDACTED] as a CI on multiple occasions. Rinetti Jr. told your Declarant that Poulson signed [REDACTED] up as a CI with the FBI and she was working for them. A record check was conducted with the FBI on August 22nd, 2019 and your Declarant confirmed she has never been signed up as a CI for them. Per the historical toll data, Poulson and Rinetti Jr. have frequent contact with each other however, [REDACTED] has had contact with Poulson from her phone, however that contact is far less than the contact [REDACTED] has with Rinetti Jr. from his work phone. Your Declarant also learned from Rinetti Jr. that he is in contact with Poulson and Poulson provided him with a birthday present. Based on this, your Declarant believes Poulson and Rinetti Jr. also have a personal relationship.

⁴ West Care is a facility to assist people with alcohol and narcotic addictions while they are detoxing.

then stated he worked a half day that day and was at a residence for his daughters' birthday. Rinetti Jr. ended the conversation telling [REDACTED] he would call him the next day, and that phone call hasn't taken place. Your Declarant believes Rinetti Jr. contacted [REDACTED] due to his position in the LVMPD Gang Unit.

July 22nd, 2019

On July 22nd, 2019, detectives from the LVMPD Criminal Intelligence Section were conducting surveillance in the area of Tomsik Street and Charleston Boulevard in attempts to locate [REDACTED] and any vehicles she may be driving. During the surveillance, Detectives observed Rinetti Jr. arrive in the area driving his unmarked LVMPD vehicle south on Tomsik. He eventually parked directly behind two other detectives, sitting in their undercover vehicle and approached their vehicle. He did not make contact with the detectives though, he just walked around their vehicle before reentering his.

In attempts to have Rinetti Jr. leave the area, Detective Chaney P#9299 contacted Rinetti Jr. on his personal cell phone. Detective Chaney gave Rinetti Jr. a reason why we were in the area at which point Rinetti Jr. responded he was in the area because he had an active pen register in the area for suspects wanted for pointing a gun at another individual. Your Declarant could not locate any Pen Registers at that time for Rinetti Jr. or any active Pen Registers for other officers on his squad that matched the description given. It should be noted that a few days after this conversation, Rinetti Jr. did have a Pen Register granted but it does not appear those subjects lived in the area.

Your Declarant believes Rinetti Jr. was not working any cases in the area. [REDACTED]'s phone location showed her in the area of this location. Your Declarant believes Rinetti Jr. was in the area to visit [REDACTED] when he noticed other law enforcement vehicles. At that point, he made contact with Detectives who he thought were in the area, in order to give an explanation as to why he was there.

GLOBAL POSITIONING SERVICE "GPS" TRACKING

The use of Global Positioning System (GPS) mobile tracking devices has been utilized in this this investigation. Through the analysis of the GPS data, your Declarant believes Rinetti Jr. utilizes vehicles provided to him through LVMPD for personal and work related use. GPS devices have been utilized on Rinetti Jr.'s LVMPD issued vehicles since August 1st, 2019 and are still currently being used.

An analysis of the location history from the GPS showed Rinetti Jr. frequented an address associated [REDACTED] [REDACTED] Las Vegas, Nevada, on a regular basis. Below is a chart detailing when Rinetti Jr. arrived at [REDACTED]'s residence. The times designated with an asterisk are dates when Rinetti Jr. had a ride along with him during his normal working hours and went to [REDACTED]'s address after he dropped the ride along off. It should also be noted the GPS battery died on August 18th, 2019 and the tracker was not replaced until approximately 1922 hours on August 20th, 2019.

Through the analysis it appears Rinetti Jr. usually goes to [REDACTED]'s residence for prolonged periods of time while he is off duty or right when he gets off of work. Often times Rinetti Jr. went to [REDACTED]'s residence and when he leaves, he goes directly to his residence. It does not appear Rinetti Jr. contacts [REDACTED] prior to going to her residence.

In the sections marked "on duty" shows if Rinetti Jr. was actually working and on duty per CAD. If Rinetti Jr. was on duty, the associated LVMPD event number he was assigned to is listed. Your Declarant also had video surveillance in the area and there is a section documenting if your Declarant was able to locate Rinetti Jr.'s vehicle through the surveillance.

MISSING NARCOTICS

During the operation at [REDACTED], [REDACTED] stated she received methamphetamine from Rinetti Jr. that he took off of a suspect. With that information, your Declarant began researching events Rinetti Jr. was part of and spoke with law enforcement sources who would have knowledge of such events. Your Declarant learned of two events in question, one prior to Rinetti Jr. meeting [REDACTED] and one after meeting [REDACTED]. From interviews and research of items Rinetti Jr. has impounded through LVMPD, it does not appear Rinetti Jr. impounded narcotics often.

[REDACTED] - Probation Search of [REDACTED]

On [REDACTED] under LVMPD event number [REDACTED], Rinetti Jr. was assigned to an event where members of the US Marshall Fugitive Investigation Strike Team (FIST) were looking for a wanted subject related to a probation violation at [REDACTED].

During this event, detectives observed the subject, [REDACTED] [REDACTED] [REDACTED] make a hand to hand transaction consistent with selling narcotics. Detectives eventually took [REDACTED] into custody and invoked his search clause, at his residence, for the probation violation. According to law enforcement officers familiar with that event and internal case notes for this specific arrest, a wooden box was recovered that had narcotic paraphernalia, prescription medication, and a small amount of narcotics, believed to be methamphetamine. Officers familiar with the case believe the narcotics were methamphetamine due to [REDACTED] selling methamphetamine and when they invoked the search clause, [REDACTED] girlfriend was inside the residence using methamphetamine.

Per the internal case notes for the arrest, it stated Rinetti Jr. was going to impound the prescription medication, paraphernalia, and narcotics for disposal. A record check of LVMPD databases, which would show any items impounded under that event number or by Rinetti Jr. did not show any results. It is unknown what Rinetti Jr. did with the narcotics from this event.

[REDACTED] Rinetti Jr. was assigned to an event where members of the US Marshall FIST were looking for a subject on probation identified as [REDACTED] [REDACTED]. Detectives located [REDACTED] at [REDACTED] in an apartment belonging to [REDACTED]. Detectives surrounded the apartment and both [REDACTED] and [REDACTED] exited and were taken into custody.

Detectives conducted a search of the apartment and located a safe in a back bedroom. Inside the safe was a large amount of methamphetamine, a digital scale, baggies, and glass smoking pipes, which is consistent with narcotics sales. According to law enforcement officer's familiar with this event Rinetti Jr. was inside the apartment with two other officers, both from Parole and Probation. Once the methamphetamine was located, it was left in the back bedroom unattended while the two probation officers conducted interviews and continued searching the apartment. According to the property impound report, Officer Chandler with P&P impounded 65 net grams of methamphetamine from the residence.

On August 22nd, 2019, Detectives with LVMPD Gang Unit conducted an interview with [REDACTED] while she was at CCDC. During the interview, she told them a detective at her residence provided information about the search and possibly stole narcotics from the safe.

On August 26th, 2019, your Declarant and Detective Snodgrass P#13701 went to CCDC and spoke with [REDACTED]. [REDACTED] stated her apartment was searched in January of 2019. During the search, officers located methamphetamine she said belonged to [REDACTED]. [REDACTED] was not arrested during this event but she was served with a Notice to Seek Indictment form. In the following days, [REDACTED] received a call from one of her close friends, [REDACTED], reference the event. [REDACTED] was positively identified as [REDACTED]. [REDACTED] told [REDACTED] details of the event that according to her, would only be known if you were at the residence. [REDACTED] believed [REDACTED] was going to cooperate with detectives from the Gang Unit. [REDACTED] also told her a female, [REDACTED] knew as [REDACTED] was dating one of the detectives that was present and conducted the search. [REDACTED] believed the detective was involved in mixed martial arts (MMA). [REDACTED] further explained [REDACTED] told him the detective gave [REDACTED] methamphetamine from the house. [REDACTED] reiterated the methamphetamine was not hers but stated there should have been 2.5 ounces of methamphetamine at the residence.

Your Declarant reviewed the impound report from P&P and confirmed Officer Chandler impounded 65 net grams of methamphetamine. Based on the information provided through an interview with an officer familiar with the case, Rinetti Jr. could have been in the room by himself, which would have given him an opportunity to steal methamphetamine and provide those narcotics to [REDACTED] which [REDACTED] stated Rinetti Jr. did to the confidential source.

On September 3rd, 2019, your Declarant and Detective Snodgrass spoke with [REDACTED] again while she was still at CCDC. During the conversation, [REDACTED] admitted the methamphetamine belonged to her and it was "fronted" to her by a subject she knows as [REDACTED] the day prior to P&P conducting their search. [REDACTED] received a quarter pound of methamphetamine, which is 112 grams. [REDACTED] stated she had a little extra methamphetamine in her safe so there would have been more than the 112 grams at her residence when it was searched. [REDACTED] stated she did not sell any of the methamphetamine after it was "fronted" to her and she went to the apartment and placed it in her safe. The only other person that could have taken any of the narcotics prior to the officer's arrival would have been [REDACTED] who was present at the apartment the day of the search and was taken into custody. When [REDACTED] arrived at CCDC, officers located 2.5 grams of methamphetamine in her possession. It should be noted [REDACTED] had not seen her discovery when the interviews took place and she would not know the weight of the narcotics impounded by Detectives.

Your Declarant conducted research of the event and through the interview with [REDACTED], knows that [REDACTED] lived at [REDACTED] during this time. A record check reference the search showed Rinetti Jr. was assigned to the LVMPD event [REDACTED] at that address from 0854 hours until 1440 hours on [REDACTED].

A review of the historical phone location information from Rinetti Jr.'s work phone showed him at [REDACTED]'s address from approximately 1129 hours until 1520 hours. When Rinetti Jr. left [REDACTED]'s apartment, he was on the phone with [REDACTED] for approximately 27 minutes. It appears Rinetti Jr. left the residence between 1520 and 1547 hours and he drove in the direction of the [REDACTED], while still talking to [REDACTED]. Your Declarant believes Rinetti Jr. arrived at the [REDACTED].

██████████ at approximately 1625 hours. Your Declarant knows Rinetti Jr. works on a part time basis for the Nevada Athletic Commission. Per the Nevada Athletic Commission website, it appears there was a boxing event that occurred at the ██████████ during the time period Rinetti Jr was there. Based on this information, your Declarant believes Rinetti Jr. was there for a Nevada Athletic Commission event.

An analysis was completed during that same time period for the phone your Declarant believes ██████████ was using as stated above. A historical location analysis showed ██████████ was in the area of East Sunset Road and Sandhill Road, Las Vegas, Nevada. This area is in the direct vicinity of where ██████████ (aka ██████████) lives, ██████████, Las Vegas, Nevada. Through the analysis, ██████████ left that area and drove directly to the area of the ██████████, while on the phone with Rinetti Jr. It appears ██████████ arrived in the area of ██████████ at approximately 1600 hours. From the analysis, it appears Rinetti Jr. and ██████████ were utilizing the same cell phone towers, which indicates they were in the same area and likely together from 1644 hours until approximately 1720 hours. ██████████'s phone location data shows she left the area and went directly back to the area of East Sunset Road and Sandhill Road.

Your Declarant believes ██████████ lived at ██████████ during this time due to an arrest that occurred in ██████████ by Detective Poulson. Under LVMPD event ██████████, Poulson arrested ██████████ for Possession of a Controlled Substance – Methamphetamine after a Search Warrant was served on this residence.
